45 MAIN STREET SUITE 548 BROOKLYN NY 11201

347.529.6622

Taking the train to Calliope Studios

There are three trains that come to DUMBO: The **A/C** and the **F**. It's a five block walk from either station to our studio.

A and C trains:

Take the **A/C** to High Street (the first stop in Brooklyn).

There are a few exits from this station, so when you get off the train turn right and be sure to follow the signs to the **Cadman Plaza East** exit.

When you exit through the turn styles, make a right and take the first exit: **Cadman Plaza East**.

When you come out on the street turn left and follow the street around the corner to **Cadman Plaza East**, and turn right and walk down the hill.

You'll walk three blocks and travel beneath a couple of over passes until you reach **Front Street**. Make a left on **Front Street** and walk one block to **Main Street** and turn right (you'll see Starbucks and West Elm on the corners). We are in the middle of the block: **45 Main Street, Suite 548**

F Train:

Take the **F** train to **York Street** (the first stop in Brooklyn)

There is only one exit from the **York Street** station, which puts you out on the corner of **York Street** and **Jay Street**. Turn right when you come out onto Jay Street and walk down the hill one block to **Front Street** and turn left. Walk four blocks, to **Main Street** and turn right (you'll see Starbucks and West Elm on the corners). We are in the middle of the block: **45 Main Street, Suite 548**.
